To Whom It May Concern:

I am writing to recommend Brother Bob Dudley, and Agora Evangelistic Ministries, Inc. You will find this ministry a great opportunity to get your people excited about winning souls to Christ. Both Bob and Cathy retired from their government jobs, and had a desire to get into some kind of full-time ministry, where they could reach as many folks as possible with the gospel. Agora Evangelistic Ministries offers them this opportunity.

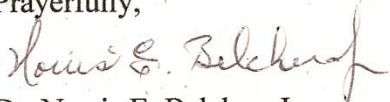

I hope you will let Brother Dudley show you how he can be a blessing to you and your people. Every town, even every community, has some kind of festival, carnival, fund raiser, or some event that brings everyone to a central location. Brother Bob will get a booth at this event, and has a simple and effective way of using your people to sit down with dozens of folks to share with them the gospel of Jesus Christ.

At Open Door, we send several soulwinners to these events, and they always come back rejoicing at the people they are able to win to Christ. Brother Dudley will do all the leg work, all the planning, and all the training of your people. All you need to do is make this available to your people, and enjoy the fruit that will be produced.

If you have any questions, I will be more than happy to speak with you. The Dudley family is certainly worthy of your prayer and financial support. As you listen to his burden, you will be able to see the whitened fields of your community, are ready for harvest.

May the Lord bless you as you consider this wonderful soulwinning opportunity.

Prayerfully,

Dr. Norris E. Belcher, Jr
Pastor
